

BOTTEGA

The Bottega Wine List

I created the Bottega wine program with a simple pursuit; to make great wine approachable to more people, more often, and to honor the simplicity of a perfect pairing of wine & food.

Cooking and living in the Napa Valley for over 20 years, I have had the pleasure of enjoying the finest wines in the world. Befriending a group of trail-blazing wine growers who are second to none. What Napa Valley has become in those years is truly astonishing. I am honored to live and work amongst these masters.

Inside the pages of our wine list, you will find a base of the classics, a dash of impossible-to-finds, a sprinkling of rising-star newcomers and a handful of newer varietals' quickly making their way onto the scene. The list is designed to allow experimentation and discovery...on any given trip to Bottega, you may choose a favored Napa darling, or try something you've never had before.

Our wine pricing is equally trail blazing. In an effort to encourage you to enjoy the very best wines for the occasion and to enjoy the full spectrum of wines available to us from Napa Valley and Italy; we have priced our wines more aggressively and affordably than the norm.

This approach requires great participation from our wine growing partners. They do their part by delivering wines to Bottega more often and with the best pricing, allowing you to access the latest small production wines from them at fair prices.

We ask that you, the Bottega guests, also participate in making this program a success for everyone. Understand the programs purpose, share the good word, vote with your selection, and, respectfully bring in wines when they are celebratory. Our corkage policy supports our wine pricing program hand-in-hand and is a fair expression of our desire to share the best wines at the best prices.

Our servers know and love these wines and can pair them perfectly with your meal. So just ask for a suggestion if you'd like one. Rest assured, each of these wines complement my style of cooking and philosophy about food & wine.

A toast to you and the memories made around the table.

Salute,

- Chef Michael Chiarello

Chiarello Family Vineyards our "House Wine"

Tending 100-year-old vines around my home in St. Helena, I've been fortunate to craft **highly rated, small production, estate grown wines** since 1998. A labor of love, **sustainably farmed**, simply the most satisfying of all my personal endeavors.

Thomas Brown (winemaker of the year 2010), is one of the most successful winemakers in the Napa Valley and most importantly my friend. He is currently the consulting winemaker for several projects in the Napa Valley including Chiarello Family Vineyards, Schrader Cellars, Pulido-Walker, Maybach, Outpost and his own amazing Pinot Noir label Rivers Marie. Our wines carry the story of my family and our personal, hands-on care of the vineyards in each glass. The natural and sustainable way we farm is a key factor in the high quality of the final wine. As we preserve our soils "naturally," we also preserve our heritage. Taste our story in every glass...

Bambino e Mamma Cabernet Sauvignon 2016

Quartino \$ 29 Bottle \$ 85

This is a blend of the two Cabernet Sauvignon Vineyards on our St. Helena property. Until 2014 we have separated the two vineyards into our two distinct Cabernets, Bambino and Eileen, named for my son Aidan and his mother. Bambino e Mamma has a deep and intense purple hue. On the nose you can find notes of violets, vanilla, sandalwood and espresso. The palate is rich with fine tannins and distinct aromas of ripe cherry, blueberry and blackberry.

Roux Old Vine Petite Sirah 2016

Quartino \$ 26 Bottle \$ 75

Roux is the nickname of my oldest daughter, Margaux, and this wine is my meditation to our relationship. This 96 year old, dry farmed, vineyard produces a ridiculously small crop of 100 cases off of 4 acres. This is my favorite wine for "big red" meals. This is Petite Sirah for both fans of the varietal and skeptics. The density of the wine will appeal to proponents of big red wines but without any of the rough edges that can turn people off to Petite Sirah. Roux offers trademark dark, saturated purple color. The nose possesses a good amount of lavender with menthol undertones. This is my cellar favorite, and wonderful partner to long braised meats
